## Our Policies

### DELIVERY AND PICK UP

Our fleet of trucks deliver throughout the Northeast, Mid-Atlantic, Florida and Midwest. Same day pick-up and emergency delivery services are also available. Delivery charges will apply to most items.

### PREVENTATIVE MAINTENANCE

All equipment is guaranteed to be delivered in working order. The customer is responsible for normal preventative maintenance including: checking and adding fuel, oil, coolant and water when necessary. Rented equipment must be used within its rated capacity and operated by qualified persons. We can provide technical assistance, make recommendations and conduct training when necessary.

### EQUIPMENT DAMAGE

We carefully check all equipment before it leaves our facility. All equipment not returned in the same condition as when rented (other than normal wear) is subject to additional charges for such things as cleaning, broken parts and flat tires. The responsibility for any abuse or misuse done to rented equipment belongs to the customer.

### INSURANCE

Customers are responsible for insurance on all equipment. Any damages or losses that may occur while in possession of the customer, and until the equipment is returned and accepted, is the customer's responsibility.

### RENTAL PURCHASES

We do offer a rental purchase plan. In order for any paid rental to be applicable towards a buyout, purchase options must be clearly defined before the start of the rental.

### METHODS OF PAYMENT

For customers who do not have a credit account, the following forms of payment are acceptable: cash, personal and corporate checks (with appropriate identification), and the following credit cards: Visa, MasterCard, Discover and American Express. A deposit is required on all rental equipment. The rental fee and deposit are both required at the time the customer receives the equipment. All accounts will be billed on a 28 day cycle. All deposits are refundable at the end of the rental period.

Prices and products are subject to change without notice.  
Not responsible for typographical errors.
